

AS MOST PEOPLE have said, "There's more than one lion in Kersting Square," as you will note by this picture which was taken by the pepper tree in front of the News Office during the Television Commercial by the Plymouth Division of the Chrysler Motor Company. Note the big feet of both the lion and his keeper with the 1965 Valiant in the background.

53,120 Pledge Support To Goldwater At Stadium

by JOHN H. CURTIS

They came — they saw — they listened — 53,120 wildly cheering Goldwaterites, from the four corners of the most populous section of the most populous state of the union — Southern California. The giant Dodger Stadium, filled to near capacity, rocked to the thunderous roar of stamping feet and echoed to the wild applause for the man they fully expect to be named the next president of the United States.

Yes, this is the story in a nutshell. Two hundred of us from Sierra Madre — a hundred by buses and another hundred by private cars — witnessed the spectacle that we will never forget. It wasn't just the 140 gold-dressed, Goldwater gals, the Boy Scout Drum and Bugle Corps, the Youth Bands, the hundreds of gold-colored balloons released in a magnificent spectacle, the overhead sky-rotating electric Goldwater welcome sign, nor the donkey that symbolized the Democrats for Goldwater.

It was all of this put together in a wild acclaim for Barry Goldwater in a demonstration that might well be called the voice of the people speaking and crying out in the night for new leadership in the White House in the person of the one man the nation had chosen as the new president.

If you weren't there you missed something. If you were there you will never forget what you saw and heard. It all makes you love your country anew — love it because you can see and hear new patriotism and new hope rising in the hearts of heretofore baffled nation.

The 39-minute talk by Goldwater was interrupted 67 times by applause, after a ten minute demonstration that delayed the opening of the notable Goldwater address. The speaker made mention of the lamentable manner in which President Johnson has been forgetting some of his old and best friends, particularly Bobby Baker and Billie Sole Estes.

VFW Plans Roarin' 20's Party Sat., 19

Start rummaging through your attics and old trunks, because the Veterans of Foreign Wars are planning a real bang-up event and the costume for the occasion is the "Roaring Twenties" styles.

This special event called the "Roaring Twenties Party" will be held at the club, Saturday, September 19, at 9 p.m. that address is 40 E. Montecito. There will be refreshments and a swinging dance band. Also the Barbershops and other entertainment. Members and their guests are invited.

The highlight of the evening will be prizes for the best costume, so dig out those beaded dresses, and father's old derby hat, and join your friends and neighbors at this special party at the VFW.

Wild approval was given the Goldwater plan for a 25 per cent reduction in taxes and withholding, spread over the next five years, again restoring national fiscal responsibility.

All-in-all, for those who were there and for all who have had a chance to hear or read about it, there can be no chance to doubt the confident enthusiasm that pervades the Goldwater backers nor to doubt the prediction that Tuesday night in the Dodger Stadium was born the drive that can very possibly put Senator Goldwater in the White House.

Peter Delgatto Graduates From Cleaning Institute
Peter M. Delgatto, of 728 Fairview St., Sierra Madre, graduated from the 127th general course at the National Institute of Drycleaning, Silver Spring, Md., on Sept. 11.

During his ten weeks at the institute, Mr. Delgatto studied such subjects as drycleaning, wetcleaning, spotting, finishing, and the science of chemistry and textiles applicable to his industry. Classes were held five days a week from 8 a.m. to 5 p.m. They included lectures and demonstrations plus actual practical work on all types of garments in the institute's model commercial drycleaning plant.

Mr. Delgatto is manager of Pantorium Drive In.

'U' Turns Now Illegal In Business District

A recommendation that "U" turns be prohibited in the commercial district of Sierra Madre and along Sierra Madre Blvd. from Mountain Trail to Michillinda was made last week by the Police Department to the City Administrator and the City Council, according to a report received from James Bale, Chief of Police.

The request was made due to the heavy flow of vehicular traffic in the commercial district; heavy pedestrian traffic in the commercial district (one intersection is a "school crossing-guard" protected intersection); narrow streets in some instances; and angle parking at four locations.

As a result of the recommendation, "No U Turn" signs now have been posted and "U" turns are illegal on Sierra Madre Blvd. at the intersections of Sunnyside,

THE HASTINGS RANCH Guild for Cystic Fibrosis has planned its tenth annual dinner dance for September 19, which will follow the theme, "The Florentine Affair." Among those planning the dinner are, from left to right, Mrs. A. N. Olson, Mrs. Forrest Paxson and Mrs. Charles Hardison.

Democratic Headquarters Open House

The Sierra Madre Democratic Club will hold an Open House Friday evening, Sept. 18, from 7 to 10 o'clock at the new Democratic Headquarters, 4 W. Sierra Madre Blvd., telephone 355-7232.

Mrs. Edith Thacher Dane, president, announces that Mrs. Lloyd Nelson (355-6254) will be Headquarters Chairman, and that all Sierra Madreans are cordially invited to come in and meet candidates and officers and workers from this area.

Kiwanians View Slides At Meet

Rudolph Hartman of Hartman's Pharmacy presented the program at the regular meeting of the Sierra Madre Kiwanis Club, which meets for a luncheon-meeting every Tuesday.

Mr. Hartman attended the Pan American Congress of Pharmacy in Mexico City in which all the countries were represented with the exception of two, and to the enjoyment of the Kiwanis Mr. Hartman took many pictures and slides which he showed the Kiwanians accompanied by a very interesting talk.

To make this even more interesting, the Pan American Congress was held during their Christmas season and many of the slides depicted the festive decor of the season and the gay atmosphere. Our local Kiwanians report a lovely luncheon, and say that Mr. Hartman is a fine photographer.

Tax Meeting Set Sept. 23

Sierra Madre Apartment Owners Association has set a meeting for Wednesday, September 23, to be held in the City Hall Council Room beginning at 8 p.m. for the purpose of discussing the ways and means to alleviate the tax situation brought on by the new property assessments.

All property owners of Sierra Madre are invited and encouraged to attend this meeting. Ideas will be

S. M. Chamber Endorses Baldwin-Carter Subdivision

Holding the opinion "that this development would be to the material advantage of the citizens of Sierra Madre as it would not only benefit the individual by increasing their respective property values, but would also enhance the merchants' position with additional purchasing power afforded,"

motivated the Chamber of Commerce at its meeting of Sept. 2 to pass a resolution of endorsement to the planned 80-lot subdivision at Baldwin and Carter Aves., "as long as all lots comply with the present zoning and grading requirements and adequate safety measures are taken during the course of construction."

Mr. McNulty, president of Huntington Construction Co., the developers, points out that the only permanent cure to the ever-present fire and flood danger will be a properly drained and constructed subdivision in this area.

'Blindness' Hartman's Hard Topic

In order to enlighten the public about the symptoms and latest treatments for many diseases, Hartman Pharmacy has been sponsoring a very informative radio program on the third Friday of each month on station KMAX-FM, 107.1, at 11:30 a.m.

The broadcast this Friday, Sept. 18, will be on blindness. Half of all blindness in the United States can be prevented without new miracle drugs or wondrous cures, but with the sight-saving knowledge we already possess.

It is vital that parents have each child's eyes examined by the time the youngster is three or four years old. If eye defects go untreated, they may lead to permanent loss of vision in the affected eye. Through use of glasses, eye exercises, surgery, or a combination of these, however, the defect may be corrected.

Cataract is the most important single cause of blindness among adults today and glaucoma is second. The cataract—a clouding of the lens within the eye—is most common among older people. Glaucoma is characterized by increased fluid pressure within the eyeball, which destroys the fibers that relay the image to the brain.

Both can be overcome—cataract, by surgery to restore useful sight, and glaucoma, by early detection and treatment. For further information about causes and cures for blindness, everyone should listen to Dr. John Ferree, executive director of the National Society for the Prevention of Blindness, who will be interviewed by John Batchelder of ABC, which will be broadcast Friday, Sept. 18, at 11:30 a.m. on KMAX-FM.

Bank of America Chooses Temporary Bank Quarters

Looking for More Suitable Site To Build Modern B. of A. Building

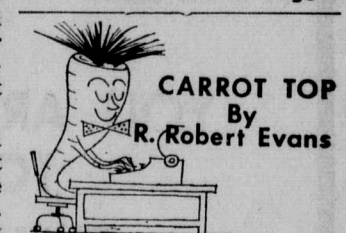

Official announcement by the Bank of America was made this week that it will open its new Sierra Madre branch at the southwest corner of Sierra Madre Boulevard and Lima Street.

Gustav Tams, vice president in charge of Southern California branch operations for the statewide bank, said a lease has been signed for space in a two-story building now being built at that location.

The Sierra Madre branch will occupy 1,950 square feet on the ground floor of the new building, Tams said. There will be space for six tellers, with limited parking for customers available in a lot behind the building.

In making the announcement, Tams stated that this will be a TEMPORARY location only, which the bank will occupy until it moves to larger permanent quarters, where a typical Bank of America building will be erected with adequate parking for customers, at a near future date.

"Our permit for this — Please turn to Page 7

It would seem to me that our new columnist, Van Dyke, writing "Vent," has picked up a "broken record" . . . too bad, too, so early in his writing career, that he should feel that the only thing he can devote space to is Proposition 13 . . . If he is a true "liberal" he does have a lot of political fences to mend and he only has five weeks to do so.

Personally I thought that he should hit the "ground running," having been given the opportunity of a lifetime, but again . . . it's his column, so let's just let him sort of have it . . .

I was down to the Bank of America last Friday discussing my financial affairs with Bank Manager Ken Cederquist, when I looked up to see my neighbor, Rose Koundakjian, walk in the door with her two toy French poodles.

Of course nowadays, there is really nothing unusual about French poodles, but while she was standing in line I noticed that the dogs were scurrying about and seemed to worry the man next in line.

After a few minutes, I noticed Rose walk over to the man and make the following remarks. "Don't be afraid," she comfortingly said. "Boulette or Bijou do not bite."

"Madam," said the man, "I wasn't afraid they'd bite. But I noticed that they were lifting their leg and I thought that one of them was going to kick me." And really I could understand the man's feelings, couldn't you?

With the publication of the new assessments for property in Sierra Madre, the first sting is over with. Now everyone will multiply by 9.4302 and wait until November when they get their tax bills, and then the moaning and wailing will begin.

It seems to me that with the new increased tax rate of about 44 cents per \$100 valuation, that the increase in valuations could have waited a year or so . . . but as some officials stated, had not the increase in valuations been made this year, the tax rate would most probably have been as much as \$1.25 higher. So the story goes, if they do not get you by looking you directly in the face, they surely get you in the "end."

The thing that really gets me in the "end" is the fact that the San Gabriel Valley Municipal Water District saw fit to put in a tax increase of \$0.1156 above last last year, and this increase in taxation represents about \$25,000.00 to Sierra Madre owners—and the money is to be used to build a reclamation plant in the Eaton Canyon.

Now Sierra Madre Councilmen have gone on record of not using this "sewer water" without the vote of people, and we are sure of — Please turn to Page 11

Sierra Madre Republicans Celebrate Grand Opening

Thursday, Sept. 17, the Sierra Madre Republican Headquarters, located at 322 W. Sierra Madre Blvd., celebrates its official Grand Opening. Entertainment and refreshments will be provided from 7:30 p.m.

Music for dancing will be supplied by Dedrick's Minstrels. Featured entertainers include the San Gabriel Valley Barber Shop Quartet.

Guests of honor include Mr. Hugh Flournoy, Republican candidate for the California State Assembly. Hostesses are Co-chairmen Alice Winslow and Ruth Howell and their assistants, Jane Tyree and Shirley Robertson.

Sponsors are the Sierra Madre Republicans, the United Republicans of California, and the Arcadia Young Republicans.

Immediately following their unofficial opening three weeks ago, the volume of citizens' inquiries and requests for service dictated six day-a-week operation. Maintaining supplies of campaign material and registering voters have been the greatest problems. Carol McDonald Studies Abroad

Carol McDonald, 167 E. Highland Ave., is going to France this fall on the Co-operative Overseas Programs of study abroad sponsored by Lewis and Clark College and The Experiment in International Living. In each case arrangements are made by The Experiment for students to live with an individual family.

Founded in 1932, The Ex-

periment is an independent, non-profit, educational organization which helps to promote international understanding through family living. U.S. headquarters is in Putney, Vermont, home of its founder, Dr. Donald B. Watt. Through its overseas colleagues and their facilities in 58 countries throughout the world, The Experiment provides assistance for colleges and universities interested in adding an experience in depth to their overseas academic programs. Applicants are selected cooperatively by Lewis and Clark College and The Experiment. A four-week homestay is an essential feature of each program.

Alverno Girls Honored For Volunteer Work

Mt. Alverno Guild Thrift Shop volunteers were honored Wednesday, Sept. 9, at a delightful barbecue and swim party held by Mrs. Gyongyos, Thrift Shop chairman, at her home in Arcadia. Mrs. Gyongyos thanked the girls, who are all students at Alverno Heights Academy in Sierra Madre, for so willingly donating time and Saturdays during the school year to work at the Thrift Shop. Without their able assistance, it would not be possible for the Guild to keep the shop open six days a week during the entire year. Guild members staff the shop during school months and when possible the rest of the year. Guests at the party were: Mother M. Francine, Superior, and Sr. M. Benigna, principal of Alverno Heights Academy; Mrs. Earl P. Snyder, president Mt. Alverno Guild; Mrs. Roy Ramsell, Thrift Shop telephone chairman, and Mrs. Herbert Hendrie, publicity chairman.

Girls attending were: Chris Orr, Junior Volunteer telephone chairman; Kathy Alberts, Mary Bennett, Lillian Brown, Pat Burke, Alice Facetau, Jean Feeney, Penny Freeman, Sue Gaines, Ruth Haskell, Patti Joe Kaye, Diane Kelley, Mary Ellen King, Kathy LeBeau, Ann Lorenzen, Lucy Marino, Sue Matt, Gerry Montooth, Denise Mülle, Mary Nichols, Jerry Ott, Linda Peters, Pam Piering, Jeanne Stucka, Pat Thomas and Suzy Winslow. Other Junior Volunteers unable to attend were: Jackie Aguilar, Cecile Bouquet, Sheila Callaghan, Kathi Carlsen, Chris Carroll, Pat Chase, Carol Cores, Anne Crawford, Karen Curtis, Laura Driscoll, Bette Munroe, Frances Oldenburg, Ruth Regas, Holly Rhatigan, Sue Steen, Becky Weinstein and Mary Winslow.

Announces House Campaign

Plans for the Sierra Madre United Crusade—the great partnership of the United Way and Red Cross—are now underway and have been announced by Fund Drive Co-chairmen Doug Delahooke and Dean Stoddard of United Way and Carl Brand of Red Cross.

The important door-to-door residential campaign in Sierra Madre is to begin Oct. 1 and will be under the direction of John Tahl, residential chairman. Volunteers are vitally needed for this important aspect of our drive. Only a small amount of a person's time is required in this one drive campaign, therefore as many people as possible are urged to volunteer to assure its success.

By now, Sierra Madre residents have received a letter asking their financial support and explaining that this United Crusade combines our old Sierra Madre Community Chest and our Red Cross. Mail Campaign Chairman Mrs. Lucy Young says that the letter also points out the opportunity for giving to pledge the amount of their contribution over a year's time. In addition to a residential campaign, the businessmen of Sierra Madre will be visited on Oct. 9. Mr. Robert Green of Southern California Edison Co. is the business chairman and will be working with ten other of your fellow businessmen to call on the downtown area.

On Tuesday, Sept. 22, at 7:30 p.m. an important pre-campaign meeting will be held at the Park House for all those in charge of the drive to formulate final plans. Give these chairmen and their workers the support of your time, effort and money in this United Crusade which at any time may be helping you, your neighbor, or residents all over Los Angeles County.

Kappa Deltas Meet at Dinner

The members of the Pasadena Alumnae Association of Kappa Delta will meet Sept. 22 at 6:30 p.m. at the home of Mrs. Frank McKibben for a combined dinner and business meeting. Serving on the committee for the evening will be Mmes. Leon Foley of Arcadia; Robert S. Beck and John E. Stevenson of Alhambra, and Robert Stevens of San Marino. All recent graduates and newcomers to San Gabriel Valley are invited to attend. Please call Mrs. Leighton Tuck, new president, 796-9982, for reservations or information.

Piano Classes For Adults Local Parkhouse

Pasadena City College Education Services division offers a beginning course in piano for those who wish to play for personal satisfaction, emphasizing knowledge of the keyboard, study of chords and scales and ability to read and apply popular and semi classical music.

The class will meet at Sierra Madre Park House Building No. 204 Monday from 9 a.m. to noon, under direction of Marjette Hull. Additional information may be secured by calling SY 5-6961 ext. 261.

Training Class For Retarded Children Opens

The daily training classes for retarded children will begin on Sept. 14 at St. Paul's Lutheran Church, 625 W. Foothill Blvd., Monrovia. Classes will be under the direction of Mrs. Mary Finkle, senior teacher. Children with all types of retardation are taught skills as reading, obedience, vocabulary, getting along with others, and each child is encouraged and taught to the best of his ability to learn.

The curricular is based on methods used at Wood School in Pennsylvania, a pioneer in the teaching of the retarded. The basic teaching methods are followed, but the individual teacher is allowed to use her ingenuity in the classroom activities.

The training classes are sponsored by the San Gabriel Valley Association for Retarded Children, which also sponsors classes in the Covina-West Covina, San Gabriel and La Puente areas. Partial tuition is paid by the parents of the children attending the school and the balance of funds needed to continue the school operation is raised in various ways. Much of the help comes from local service organizations, the ways and means projects of the Association and voluntary contributions from people interested in the welfare of the retarded children.

Mrs. Finkle is well known for her work with the retarded children and is in great demand as a speaker by many organizations. In addition to her devoted care of these children, she finds time to attend college classes and make a home for her husband and son. Any inquiries regarding the school or the Association will be welcomed. Calls may be made to EL 8-3487 or EL 9-5153.

SPORTS AS Hank Ives SEES IT

OLD HANKUS LIKES MEN OF TROY

OLD HANKUS PREDICTS that Johnny McKay's Southern California Trojans will be the host team in the 1965 Rose Bowl Game. Here are the picks for the (Coast Conference, AAUW, Far West Big-8, or what the heck are you going to call this league?)

1. Southern California
2. Washington
3. California
4. Oregon
5. UCLA
6. Stanford
7. Oregon State
8. Washington State

THE TROJANS lose their "B" boys (Brown, Bedsole, Bame and Beathard), but have plenty of material left to take the prize. Junior college transfers will have to make it big, but fellows like Jeff Smith, tackle from Long Beach, and his full-back teammate, Homer Williams; Marv Bain, Santa Ana; Jim Vellone, Cerritos; and Jim Conroy, Chaffey, just to name a few, should be pushing for first-string jobs soon.

This is the year for "proof of the pudding" in the Rod Sherman case, and the local lad has all the tools to make good. Mike Giers, senior tackle, has been destroying his own teammates in practice and is definite all-American timber. Then there is Mike Garrett who was good enough to rank seventh nationally in rushing with 833 yards in 128 tries. The stuff is there for a great team and Old Hankus looks for the Men of Troy to be among the top five nationally at the end of the 1964 season.

WASHINGTON'S HUSKIES figure right there. You always have to take the crown away from the champ and it's seldom a gift. Three titles and a pair of seconds since Jim Owens took over, so how can you rank them any lower?

Lots of talent back from last year's Rose Bowl eleven, including the great Junior Coffey at fullback, and a line led by Rick Redman. But QB may be a trouble spot. The only team in the West that meets all seven of the conference members.

CALIFORNIA seems to be resurging to former power and Ray Wilsey may be just the man to lead the Bears out of the doldrums. Of course 33 lettermen, including passer Craig Morton, will help the situation. Strictly on their way up. OREGON . . . With QB Bob Berry back, Len Casanova's Webfoots must be rated in the darkhorse category. Northerners were 8-3 last year, including a win over SMU in the Sun Bowl, and may be good enough to repeat that record.

UCLA'S BRUINS with a suicide schedule may be much better this year and not improve one inch on their 1963 2-8 mark. Offensive punch should be good, but it's a tough year that lies ahead for Billy Barnes' crew.

STANFORD may be placed too low. You can never count Tommy Prothro' OREGON STATE Beavers out of the picture, but it looks like a year to be satisfied with upsets. WASHINGTON STATE will win a few, but are over their heads in this league.

ILLINOIS with two lettermen at every position would seem to be the "odds-on" in the Big 10 race. Defense-minded OHIO STATE and a veteran MICHIGAN eleven look like the best shots to grab the title.

LITTLE THIS-N-THAT . . . Why don't professional foot-

ball teams play their exhibition games out of town? Many big cities throughout the country would be enthusiastic about witnessing a pro clash. Then the hometown fans would be drooling to see their heroes in action by the start of the season.

QUOTABLE QUOTE . . . "We got a second team end and a first team cheerleader from Pasadena High School, and that's all," Don Hunt, Lancer coach. Many ex-Bulldogs enrolled at Lancerville, but not out for football.

The San Diego Chargers have a fantastic 20-2 won-loss record in exhibition games since the team was formed.

CRYSTAL BALL DEPT. First bout with the prediction bit . . . USC to whip inexperienced Colorado . . . Stanford by three TDs over Washington St. . . . Washington by a touchdown against Air Force Academy . . . California to prove rude host for Missouri . . . Northwestern to edge Oregon State at Evanston.

Len Casanova's tough Oregon eleven to trounce Brigham Young . . . Alabama tabbed as one of the best, to whip Georgia . . . Florida State by a field goal against neighboring Miami . . . Florida to upset SMU . . . Kansas to ride high over TCU.

LSU figured in the top ten to slip past Texas T&M . . . Oklahoma over Maryland . . . Penn State to upset Jolly Roger Staubach and his Navy mates . . . Texas to trounce Tulane as usual . . . Syracuse in a rugged battle with Boston College.

Miss. State will slip past Texas Tech . . . Duke, always tough, to edge South Carolina . . . North Carolina to ride high over N. Carolina St. . . San Diego Chargers by three over the high-flying Boston Patriots . . . Detroit Lions by 10 over the "first-place" L.A. Rams.

Morning Wedding Unites Gail-Ann Higgins With James Lewis Skiles III

MRS. JAMES LEWIS SKILES III
... nee Gail-Ann Isbister Higgins

At a beautiful 10:30 morning wedding on September 5, Miss Gail-Ann Isbister Higgins became the bride of James Lewis Skiles III, at the Church of the Ascension in Sierra Madre, California.

The Reverend Harley G. Smith, Jr., performed the ceremony before 150 guests. The bride is the daughter of Mr. and Mrs. Harold William Higgins of N. Baldwin Ave., in Sierra Madre, and the bridegroom is the son of Mr. and Mrs. James Lewis Skiles of Neosho, Missouri.

For her wedding, the bride chose a floor length wedding gown of mosaic brocade. It was fashioned in princess style with a portrait neckline, traditional sleeves, and a wateau train. Her bouffant illusion veil was held in place by a matching brocade bow trimmed in pearls. On her grandmother's Bible, she carried a soft bouquet of stephanotis and phalaenopsis surrounded by miniature ivy.

Mrs. James Bonzi served the bride as matron of honor. She wore a street length sheath dress of antique gold crepe. Miss Linda Lundberg and Miss Carol Erickson served as bridesmaids in dresses identical to the matron of honor. Velvet gold bows secured their short veils, and they carried cascading bouquets of spider chrysanthemums and fern. All of the bride's attendants were her sorority sisters. Ronnie Reppinger of Joplin, Missouri was best man, and ushers were Paul Hog, also from Joplin, and Gary McCormick of Laguna Beach.

For her daughter's wedding, Mrs. Higgins wore a two-piece gown in autumn haze crepe with matching accessories. Mrs. Skiles wore a three-piece ensemble of beige knit linen with bone accessories. Both wore cymidium corsages.

Mr. David Billeter provided the organ music and accompanied Mrs. C. Morrison who sang "O Perfect Love." Miss Judy Young was guest

book attendant. Among the wedding guests from out-of-state were the bridegroom's parents, Mr. and Mrs. James L. Skiles of Neosho, Missouri; the bridegroom's twin sister and husband, Mr. and Mrs. Jack Cochran of Kansas City, Missouri, and Mr. and Mrs. Cameron Jackson and family of Phoenix, Arizona.

The bride graduated from the University of Southern California and is now in her second year of teaching music in a Los Angeles elementary school. Her husband, a graduate of Kansas State College at Pittsburg, Kansas, is now engaged in photography and advertising with Studio Five in Los Angeles.

After a reception at the church, a luncheon was held in the home of the bride's parents for the bridal party and relatives. After a short honeymoon trip up the coast, the newlyweds will be at home in Los Angeles.

Bridge Players Invited To Monthly Meets

Bridge enthusiasts take note! Once again this year the Don Benito PTA will sponsor monthly contract bridge meets for couples in the area.

The fifth annual bridge tournament will begin in October and couples desiring to play need not be members of the Parent Teacher Association. Meets are held in the homes on an informal basis as a fund raising social activity.

The evening meetings also provide an opportunity for newcomers in the area to become acquainted with their neighbors. Couples desiring to become a part of the activity, or wishing further information, should contact Anna Betty Goldman at EL 5-2934.

"MEMOS" FROM YOUR Stylist

by LOLITA

The most dramatic hair color change available to the woman anxious for something new is the two-process system. First the hair must be prelightened or bleached. This is followed with a toner or tint. Toners include the lighter shades — pastels and champagnes — while the tints range darker.

Two-process color calls for two rather complex steps which take it out of the category of something to do on a rainy day. Only a skilled operator knows when to stop bleaching and how to apply tones and tints without "grabbing."

You will find skilled operators who know all the artful tricks of hair-coloring headquartered at PETITE BEAUTY SALON. For a delightful change — be it a short-term color or permanent hair color — you will be treated to careful, skilled artistry at PETITE BEAUTY SALON, 185 West Sierra Madre Blvd. Phone ELgin 5-8041. Open 6 days — evenings by appointment. And for your health ... we have the wonder VAPO-ZONE MACHINE. If you have greasy, dry or scaly scalp, this machine will clear it up faster, better and with lasting results. Try it.

THIS WEEK'S HELPFUL HINT: Before deciding on a drastic color change, make sure the color is for you by trying on a wig in your chosen shade.

Paderewski Ball 25th Anniversary

The Polish American Social Club of Pasadena will celebrate its 25th anniversary in conjunction with its annual Paderewski Ball with a dinner and dance, Saturday evening, Oct. 24, at 7 p.m. at the Huntington-Sheraton Hotel in Pasadena. Reservations for the dinner may be made by phoning Mrs. Martha Patchick, 798-5774, or Mrs. Ben Bukowski, SY. 6-3974.

Music by Edward Stell and his recording orchestra.

Women Voters Special Meeting

The Sierra Madre Unit of Pasadena League of Women Voters will hold a special meeting on Thursday, Sept. 24, at 9:30 a.m. to hear a report from the committee working on the Sierra Madre local item (a study and evaluation of the master plan of the City of Sierra Madre).

The meeting will be held at the home of Mrs. Joe Mullins, 471 Grand View Ave. All members and guests are encouraged to attend.

The big buy in back-to-school shoes

It is true that Keds are the best-fitting, the most comfortable, good looking and long-wearing fabric casuals you can buy. Keds are made with costlier fabrics, with an exclusive shockproofed arch cushion and cushioned innersole. In short, with all those "extras" Keds are your best buy in the long run. So run ... don't walk ... in to see us. Get that Keds look, that Keds fit ... GET THAT GREAT KEDS FEELING. We have Keds for every member of the family, all sizes, colors and kinds ... now's the time to join the ever growing family of happy Keds wearers.

Dinner Observes

This being National Constitution Week, Mrs. Archer S. Frey will describe her current display in the chapter window adjacent to Rambeau's TV Store.

The September Southern District Council of the State Society was held at the Disneyland Hotel on Tuesday, the 11th. Mmes. Gwendolyn Becker, James C. Greer, Walter Gardner, Archer S. Frey, Dorothy Baumback, A. S. Myers and Miss Harriet Taylor from the Sierra Madre Chapter attended. Mr. Walter Knotts, speaking on "Our American Heritage," was the guest speaker of the afternoon session. Mrs. Harvey Blanchard Lyon presided.

Hostesses for the dinner, according to the Chapter Regent, Mrs. Gwendolyn Becker, will be her entire Board, with Mrs. Arthur Code, hospitality chairman.

for the "other side" by "VAN DYKE"

Thanks, Carrot Top, for the spread in your column! You said that you "do very little arguing in your column about politics, 'Carrot Top' is a 'fun column'—it will be just as funny with your political arguments in it . . . (We're off.)"

Yes, I know that you have the advantage in reading my masterpiece before you put your two cents worth in—but if one has to have an advantage, let it be you. After all, you own the "Squeak"—and besides, you need it . . . (Here we go . . .) But you forgot another handicap I have—I must squeeze in editorials, as well as "commercials"—announcements of what's doing on the other side. After all, that's the only pay I am going to get . . . free publicity!

But come now, Carrot Top, you don't honestly think that the claimed increase in circulation of 4,286 was all brought about through your giving the ultra-conservatives up to and including the way-out right fringe a monopoly on the official policy of the "Squeak"! You run a darn good paper for local news—that's the main reason. Besides, our population has increased and you succeeded in advancing into neighboring territory. Your good coverage of local news makes some people, who want no direct, official affiliation with you, buy it here and there at the newsstand. (I am sure that the sneaky night-buyers are just embarrassed readers, whose name or picture was in the "Squeak" and who want to hoard a few extra copies so they can send one to Aunt Susie and Uncle Joe in the East . . .) I was glad to hear, though, that the newsstand sales went up to a record 1,425 "last week"—that's when I started, you know. . . .

I guess it's about time for a "commercial" . . . On Sept. 23, Wednesday, there will be a Hootenanny at the Hollywood Bowl to raise funds for the campaign against Proposition 13. Topping the program are three of the most famous folk singers in the United States: Pete Seeger, Joan Baez and Theo Bikel. Two filled buses will leave Sierra Madre, too—so come on, let's see you down there!

Where were we—oh yes, the initiative. Let's tackle your editorial answer, "Human Rights Versus Property Rights," Carrot Top. . . . All you "Yes"-men make the same mistake—you only talk about the right to OWN property! Before you own something, you must buy and acquire it, right? That's the reason the first article of our California Constitution says that all men have among their inalienable rights those of "ACQUIRING, possessing and protecting property." This right to acquire property, which you fellows always forget, is an integral part of property

Sierra Madre Unit No. 297 of the American Legion Auxiliary held its monthly business meeting, September 10 at the home of Mrs. Roy Pickett. The meeting was presided over by the president, Mrs. Effie Pratt.

Legislation chairman, Mrs. Ethel Stein led a discussion on pending Bill H.R. 1927. Benefits to both veterans and widows were discussed. A letter from Senator Keuch regarding the Bill was read.

The Unit voted to take part in a Junior Activities sponsored evening at the Lawrence Welk Show on October 23. Anyone who wishes to attend may secure tickets by contacting a Unit member. The proceeds will be used for a state-wide Jamboree for junior members.

Past presidents will attend a Halloween costume party on October 29 at South

right as a whole—and Fair Housing legislation safeguards this right for all. The real estate lobby's Proposition No. 14 would permanently bar existing or future legislation for the protection of this right. Of course, Carrot Top, four-footed animals don't own property—humans do. Whoever said that to own property is not a human right? But you cannot do with your property as you choose—the Zoning Committee, the health officials, city ordinances, and I don't know how many other government agencies, will tell you that pretty quickly! So this right always has been restricted—it cannot interfere with or go against the public interest . . . and discrimination is against the public interest. You don't have to sell or rent your property to a Negro with children, or a Negro with pets—or one who is drunk, etc. As long as that is and has been your policy—BUT YOU MUST APPLY THAT RESTRICTION TO ALL AMERICANS.

Well, I'd better quit. If anybody wants a "No on 14" bumper-sticker—don't ask Carrot Top—write or call me. I got plenty.

Fire away again, Carrot Top—I'll be around next week, and the next, and even, as you hoped, after November 3rd . . . The bone in our Republican throat will then be gotten rid of and forgotten. Johnson will continue a little longer, and THEN COMES 1968!

Letters were read from non-resident members, Frances Brain and Effie Milton.

Plans were made for gifts to be donated to the San Fernando Hospital's Christmas Gift Shop. Rehabilitation chairman Thelma Proctor reported 10 men's shirts donated to this same veteran's hospital.

The 18th District meeting will be held September 20 at Glendora Legion Club house with District President Marjorie Price of Arcadia presiding. The next meeting of Unit No. 297 will be a social evening September 24 with Thelma Proctor.

Gail W. Griffin Succumbs

Tuesday, Sept. 8

Mr. Gail W. Griffin, who has spent 42 years of his life in California and most of that in Sierra Madre, passed away suddenly on September 8, at the age of 59. Originally from Salt Lake City, Utah, Mr. Griffin made his home at 667 W. Grand View; he was a grocerman clerk, who served the public for many years.

His wife, Rita Griffin; along with his son, Gary Griffin of New Orleans, Louisiana; daughter, Mrs. Rita Mary Addy of Sierra Madre are among the survivors. Also, Mrs. Rose Griffin of Medford, Oregon, the step-mother; Hartley W. Griffin of Pasadena, brother, and five grandchildren.

Reverend George W. Lind, officiated at the services at 11 a.m. on Friday, September 11 at the Ripple Mortuary chapel, and interment was at Mt. View Cemetery in Altadena. Arrangements were made by Ripple Mortuary.

Tax Meeting discussed and a plan formulated as to the best way to present the problem to the Tax Appeal Board. For other information, call Hugh Warden at Harry A. Lange & Associates.

anywhere
...to spend ~~as~~ we please

WE MAY get our money from a job in industry, from a one-chair shoeshine business, or for working as janitor, bank president, or some other useful activity. But what we do with what's left after taxes is our own personal business.

Of course, with some necessities coming first, we may not always get to buy WHAT we'd like to, but there isn't much to keep us from spending our money anyWHERE we please.

And this decision...WHERE to buy...is pretty important...because WHERE we spend a dollar has considerable bearing on WHERE and how handily we can get our dollars in the future.

When we choose to spend our money in our own community, where its circulation can create many more dollars of trade volume to boost our local economy, then we can make a better living easier here.

It Pays to Buy Where You Live

Duplicate Services At Congregational

With the beginning of the fall season, the Sunday schedule at the Sierra Madre Congregational Church will see two worship services on Sunday morning, one at 9:30 and one at 11 o'clock. The Junior or Hi Fi Choirs will sing under the direction of Doris Murphy at 9:30, with the Chancel Choir, under the direction of Karl Beilstein, singing at 11 o'clock.

The church school, with

classes for all ages from nursery to adult will be at 9:30. This coming Sunday is Registration Sunday, according to Milt and Georgeanne Emerson, superintendents. A new director of Christian Education, Miss Jane Merrill of LaCanada will also be on hand to greet the students.

The Rev. George Lindsay's sermon will be entitled "A Lion in the Church!"

Bible Lesson 'Matter' Sunday, Sept. 20

"We worship spiritually, only as we cease to worship materially" will be one of the themes at Christian Science churches this Sunday. The quotation is taken from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 140).

The Bible Lesson is on "Matter" and includes this verse from John (ch. 4): "God is a Spirit: and they that worship him must worship him in spirit and truth."

Preaches On Lord's Prayer

"Give Us This Day, Our Daily Bread, and Forgive Us Our Debts As We Forgive Our Debtors," is the sermon topic at both the 9 and 11 a.m. worship services, Sunday, September 20, at the Santa Anita Church of Religious Science, 226 W. Colorado Boulevard, Arcadia. Releasing the Power of the Lord's Prayer into every day living is the theme of the September Sunday morning services interpreting the Lord's Prayer and applying its meaning. Child care is provided at both services.

The family worship service at 9 a.m. invites the children to worship with their parents. After a sermonette by Dr. Barnhart the children go to their graded classes of the Junior Church, which meets in the Christian Education Building.

At 7 o'clock in the evening the high school and college group meet under the direction of Mr. and Mrs. C. A. Leach Jr.

Tuesday evening, September 22, a teaching-healing meeting is conducted by Dr. Barnhart.

Thursday morning, 10:30 a.m. to noon, a Bible Class and Worship for Better Living is headed by Mrs. Anna Dozier and Dr. Ethel Barnhart.

Evening tuition courses in Religious Science and Truth Principles for both the new and advanced students will begin early in October. A Practitioner's Course will also be presented. These courses are open to the public. Interested person who would like a catalog may receive one by calling the church, HI 6-8206.

Dr. Barnhart says: "Call HI 7-6162 for prayer, day or night."

Creative Arts Registration

The Foothill Creative Arts Group this week opened registration for its fall session which will begin on Oct. 5 and last until Jan. 15. The group, founded four years ago as a non-profit organization to encourage individual participation in the arts, offers 25 workshops in a wide range of creative activities for children and adults. Meeting once a week for 12 weeks, most of the workshops will be held at 37 E. Montecito St., Sierra Madre. The groups are limited in size and led by outstanding instructors to allow each individual to work up to his own creative potential.

Of particular interest to adults this fall will be the two daytime workshops stressing oil painting techniques.

When first established, the Creative Arts Group worked only with children. Although the group has widened its scope, there is still a wide variety of creative workshops planned for children and held after school or on Saturday morning.

The Adobe at 37 E. Montecito St., Sierra Madre, is open Monday through Friday from 10 to 2. Anyone wishing a brochure or further information is welcome to write or to visit the building or to call 356-1450.

SPORTS ON TV

Rev. Armin Hesse Lists Sermon

"The Value of Christian Influence" will be the pulpit message of the Rev. Armin Hesse in the 8:45 and 10:30 Sunday morning worship services at Faith Lutheran Church, 8:45 Hastings Ranch Drive.

This sermon will center on the plea of Abraham with the Lord in behalf of the residents of Sodom, as related in the 18th chapter of Genesis. It will point out the source, the direction, and the effect of such influence, and its relation to current needs.

In the 10:30 service, the Senior Choir will sing Brahms' "How Lovely Is Thy Dwelling Place," which was sung by the choral group on church dedication day, September 23, two years ago.

The Sunday school will meet at 9:35, welcoming new pupils in the advent of the new Sunday school year which will begin on October 4.

The youth organization, the Walther League, will hold an outing at Lacy Park in San Marino from 3:30 to 8, to include recreational activities, an evening supper and a group devotion.

On Sunday morning the Junior Instruction Class, for all seventh and eighth graders, will be organized by the pastor at 9:35. This class will prepare junior high students for communication membership in the church. Beginning on Wednesday, September 23, the class will also meet on Wednesday afternoons from 4 to 5:30.

Other activities scheduled for next week include: Church council meeting on Monday at 7:30; Sunday school staff meeting on Tuesday at 7:30; Junior Choir on Tuesday at 7:30; and Senior Choir on Thursday at 8. The Board of Christian Education will meet on Saturday morning of this week at 9.

Rabbi Wasser's Sermon Topic At Yom Kippur

"Build Me a Sanctuary, and I Will Dwell Amongst You," was the sermon topic of Rabbi Max R. Wasser at Yom Kippur services which were held by the Foothill Jewish Temple-Center in its new home at 550 S. Second Ave., in Arcadia, on Tuesday, September 15, 7:30 p.m.

Services on the Day of Atonement, holiest day on the Jewish religious calendar, were held all day Wednesday, September 16, starting at 8:30 a.m. Yizkor or memorial services were held at 11:15 a.m.

Registrations for Sunday school and Hebrew school are now being taken. Information on this and on memberships may be obtained by calling Sam Adler, membership chairman, AT 7-0775, days; HI 6-0773, nights; or the secretary, Sally Roane, EL 5-2230.

Bethany

Bethany Church, 93 North Baldwin in Sierra Madre, will observe Evangelical Welfare Agency Sunday of Southern California this Sunday, Sept. 20 at both the 11 a.m. and 7 p.m. worship services. This unique Christian adoption agency was begun in 1959 when Dr. Robert Schaper, pastor of Bethany, was chairman of the Southern California Association of Evangelicals, EWA's founding organization.

Since that time the agency has placed in Christian homes over 300 infants. It is licensed in both Los Angeles and Orange counties and is the only Evangelical Christian Adoption Agency west of the Rocky Mountains. Nearly a dozen parents in Bethany Church have received babies into their home through the EWA. The church supports the program through its regular missionary budget.

becomes available and we can build," Tams concluded.

He further said that the branch is scheduled to open for business to its customers as soon as possible after the building is completed. Branch manager and personnel will be announced as soon as they have been selected.

Church Notes

At the 11 a.m. worship hour, Dr. Clarence S. Roddy of Fuller Seminary will preach with the Chancel Choir under the direction of Mr. Doug Coe singing the anthem, "With a Voice of Singing" by Shaw. Dr. Roddy will also preach at the 7 p.m. worship hour.

Almost 70 young people journeyed to Long Beach last Saturday where they took a plane for Catalina Island for a day of fun and frolic. Mr. Gary Westover, Summer Youth Director was in charge of the group. They returned about 7:30 in the evening.

Two adult Sunday school classes plan monthly parties for this weekend. The Voyagers, under the direction of Mr. Ken Dymmel have a "fleet" party on Friday night, while Ron McCormack's Prospectors meet on Saturday night. Both classes, along with three other adult classes assemble for Sunday school at the church on Sunday at 9:30 a.m. This Sunday, September 20 will be the final showing of the 12-week color-film series on the Life of Christ. These films have contributed immensely to the total teaching program of the church during the summer months.

Bethany Church extends to the community a cordial welcome to attend the services of the church.

Letters To The Editor Show Deep Concern

Dear Editor:

I am a Japanese boy. I am fourteen years old. I would like very much to have a friend of my own age in your country. I am writing to you in the hope that you may be able to help me get in touch with a young person who may wish to have a pen friend in here.

What I would like to do is to exchange information and views about school life

and daily and to swap stamps, picture postcards or even things made at school. Writing and reading in English will be very helpful to me in studying the English language.

So I will try hard to be of use to my friend in any way that I can to make up for this extra benefit to me.

I got the idea of writing to a newspaper editor from the Youth Council for International Contact at 20, 1-chome, Jimba-cho, Chiyoda-ku, Tokyo, Japan. This organization, of which I am a member, has thousands of student members all over Japan and tries to promote international friendship and

understanding.

I am very much in favor of this aim and I think I can help to make this a peaceful and friendly world by being a good friend to someone in another country. I will be very grateful to you if you can help to put me in touch with someone who wants to do the same.

Sincerely,

SHIGERU ISHIDA
P.S.—Introduce myself. I am a boy of fourteen years old and am in Meisei Middle school. I am 160 centimeter tall and weigh 45 kilo gramme.

My hobbies are reading, classic music and among sports I like the swimming

and Sumo best.

Sumo is national game of Japan.

This is my address —

Dear Editor:

Breat beating aviation enthusiasts are shouting loudly about air fares coming down to earth. While "fares" are coming down, federal and local air transport appropriations are going up and up. Only 11 per cent of the population, mostly expense account tycoons and status seekers, fly regularly. All taxpayers pay for airports, traffic control, mail subsidies, and should the property tax removed from airport dedicated land.

business men in a hurry, but they should not expect non-flyers to provide the airports etc. for them. Railroads are heavily taxed to help provide tax-free installations for competitors. Our discriminatory transportation policy thus suggests a conspiracy to empty the trains and to stuff the planes.

Airlines are challenged to get off the taxpayer's back before boasting about low fares!

Dear Editor:

The following is an open letter sent to the Huntington Construction Co., with copies to Larry Bevington, City Administrator and the Sierra Madre News:

Gentlemen:
The Board of Directors of the Sierra Madre Chamber of Commerce passed a resolution at their September Board meeting in support of your proposed subdivision on North Baldwin.

The resolution reads as follows:

"The planned Huntington Construction Company development at the top of North Baldwin has, so long as all lots comply completely with all of the conditions of the present zoning requirements, and so long as it meets the revised grading and excavating ordinances, the endorsement of the Chamber of Commerce. We understand that you are about to overcome all of the reasons for its original denial by the Planning Commission.

We recommend and sincerely hope, that every reasonable precaution be taken during the course of construction of the proposed lots to assure the protection and safety of the surrounding property owners.

We hold the opinion that this development would be to the material advantage of the citizens of Sierra Madre as it would not only benefit the individual by increasing their respective property values, but would also enhance the merchants position with the additional purchasing power afforded."

This resolution received the unanimous acceptance and support of the board of directors this September 1, 1964.

Vice President

Dear Editor:

There once was a column called "Vent," spawned by a most liberal gent; As most fishermen know, The vent is below, And expels what is putrid and spent.

Well, enough fancy writin' — let's get down to cases.

Appears to me there is still some misconception as to what is really at stake in our country; what forces are at work in the upcoming election. This isn't a democrat versus republican contest. For the first time in fifty years it isn't merely a flip-the-coin and what-the-hell-do-we-care thing.

Purely stated, it's liberal vs. conservative. Restated, it's individualism vs. collectivism; Americanism vs. worldism; patriotism vs. apologetism; hard work and a day's pay vs. poverty legislation handouts; quality with quantity vs. overabundances of junk and trinkets.

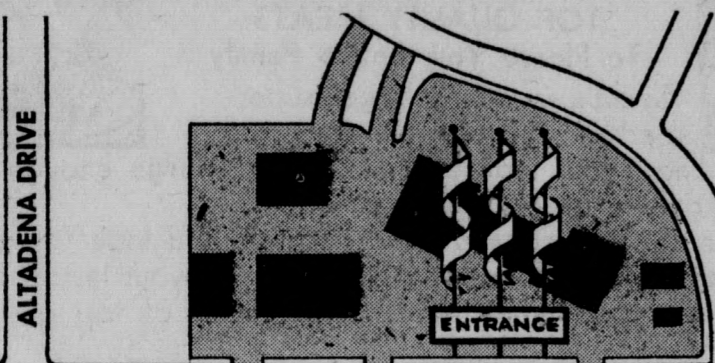

It's tract-living together-ness and the resultant moral breakdown vs. pride, singular expression and support of local authority. It's forced integration demanded by those buying votes vs. normal, natural integration which we all support.

Sure, there are more registered democrats. There are some liberal republicans who would rather vote for The Old Arranger than Barry.

But I'll make you a bet. There are more conservatives than liberals. If we get the message across now, Goldwater will win, and win big.

LEGAL NOTICE

ORDINANCE NO. 734
AN ORDINANCE OF THE
CITY OF SIERRA MADRE
ENACTING AN INTERIM
ZONING ORDINANCE PUR-
SUANT TO SECTION 43806
OF THE GOVERNMENT
CODE, ESTABLISHING A
NEW "CONDITIONAL USE
ZONE" IN THE CITY AND
IMPOSING THE REGULA-
TIONS THEREOF UPON CER-
TAIN PARCELS AND AREAS
OF THE CITY, PENDING
CURRENT STUDIES FOR
AMENDMENT OF THE ZON-
ING CODE.

THE CITY COUNCIL OF THE
CITY OF SIERRA MADRE DOES
ORDAIN:

SECTION 1. The City Council
does hereby find and determine
that the amendments hereinafter
set forth in Sections 2 and 3
hereof have been undertaken for
consideration, in good faith, by
the Planning Commission of this
City as a portion of a more
comprehensive plan and that said
Planning Commission is conduct-
ing public hearings thereon. It is
further found and determined
that it is necessary to protect
the public health, safety and
welfare that this City enact as
an emergency ordinance a pro-
hibition against all persons from
violating the said proposals of the
Planning Commission, all in the

LEGAL NOTICE

manner and means prescribed in
Section 65806 of the Government
Code.

SECTION 2. New Regulations:
PART 3.5 - "CUP" Zone
Section 9410. "CUP" Zone
Conditional-Use Zone.
Certain areas of the City are
so located, so configured or
possessed of such geologic fea-
tures that the residential or
other structural use thereof,
based upon the experience of
past developments, is likely
to endanger the health, safety
and welfare of the residents
by reason of flood, fire, sub-
sidence or erosion, and for said
reasons such areas are classi-
fied herein as "Conditional-
Use Zone," known and desig-
nated as Zone "CUP."
Section 9410.1. Same. Uses Per-
mitted.
The following public and
private uses are permitted in
the "CUP" Zone:
A. Flood control channels,
spreading grounds, settling
basins, freeways, parkways,
and permanent open
spaces.
B. Parks, playgrounds, wild
life preserves, recreation
areas, and such non-occu-
pied buildings and struc-
tures as are accessory
thereto.

SECTION 3. The regulations
prescribed in Section 2 hereof
are hereby imposed on all of
those areas, parcels and lands
within the City lying northerly of
a line described as follows:
a) Carter Avenue from its
westerly terminus to its
easterly terminus;
b) From the westerly termi-
nus of Carter Avenue along
an imaginary prolongation
of Carter Avenue to the
westerly City limits; and
c) From the easterly termi-
nus of Carter Avenue, thence
easterly and southerly
along Mira Monte and
Mountain Trail to Grand
View Avenue; thence east-
erly along said Grand View
Avenue to the City limits.
All contrary zoning regulations
of the City are hereby super-
seded.

SECTION 4. From and after the
date of the adoption of this
Ordinance, no subdivision, lot
split, or other division of land
for sale, lease or rental, shall be
recognized by the City, nor shall
any approval or any permit be
issued for any of the foregoing,
as to any lot or parcel of ground
in any of the areas described in
Section 3 hereof, except as pro-
vided in Section 2 hereof.

SECTION 5. It shall be unlaw-
ful for any person to violate the
provisions of the Planning Com-
mission as set forth in Sections
2 and 3 hereof.

SECTION 6. This Ordinance
shall remain in effect until
March 31, 1965, or until said
amendments shall be earlier dis-
posed of or enacted upon a
permanent basis, whereupon this
Ordinance shall lapse as though
never adopted.

SECTION 7. The City Council
declares this Ordinance to be an
emergency Ordinance, for the im-
mediate enactment hereof, and
that the same is necessary to the
public health, safety and wel-
fare, and that the prohibitions
imposed herein shall become ef-
fective at once as an emergency
measure for the following rea-
sons:

(a) that the present regula-
tions relating to such
areas have manifested in-
equities and features in-
imical to the safety and
welfare of the City, and
have resulted in loss and
damage; and
(b) that the Planning Com-
mission is conducting
hearings and will, within
the near future, forward
its recommendations to
the City Council regarding
the foregoing and other
modifications for com-
munity betterment; and
that it is necessary and
appropriate to impose the
foregoing regulations at
once.

(c) that the moratorium pre-
sented in effect expires
Sept. 12, 1964.

SECTION 8. The City Clerk
of the City of Sierra Madre shall
certify to the passage and adop-
tion of this Ordinance and to its
approval by the Mayor and shall
cause the same to be published
in the Sierra Madre News, a
weekly newspaper of general cir-
culation, published and circu-
lated in the City of Sierra Ma-
dre.

Passed, approved and adopted
this 8 day of September, 1964.
Severin L. Sorensen

Section 9410.2. Same. Uses Per-
mitted. Conditionally.
The following uses except as
permitted in the "CUP" Zone
only if the location and de-
velopment are first approved
by the Planning Commission
as provided in Sections 9480,
9563 and 9564 of the Sierra
Madre City Code.

A. Residential uses.
B. Structural uses except as
permitted in Section
9410.1 hereof.

Section 9410.3. Same. Permit
Criteria.
In following the procedures
set forth in Section 9480, 9563
and 9564 for the processing of
a Conditional Use Permit in
the "CUP" Zone the Planning
Commission shall apply as its
criteria - for approval or deny-
ing an application - a deter-
mination of whether the pro-
posed development will or will
not substantially increase the
risk of flood, slide, subsidence,
drainage run-off, fire or other
damage from the elements
upon the subject lands or
upon adjacent properties. The
Planning Commission shall in-
clude a summary of its find-
ings as a part of its official
action.

Section 9410.4. Same. Property
Development Standards.
All property in this zone
shall be developed in ac-
cordance with requirements
specified in the Conditional
Use Permit granted by the
Planning Commission.

SECTION 9. The regulations
prescribed in Section 2 hereof
are hereby imposed on all of
those areas, parcels and lands
within the City lying northerly of
a line described as follows:
a) Carter Avenue from its
westerly terminus to its
easterly terminus;

All contrary zoning regulations
of the City are hereby super-
seded.

SECTION 10. From and after the
date of the adoption of this
Ordinance, no subdivision, lot
split, or other division of land
for sale, lease or rental, shall be
recognized by the City, nor shall
any approval or any permit be
issued for any of the foregoing,
as to any lot or parcel of ground
in any of the areas described in
Section 3 hereof, except as pro-
vided in Section 2 hereof.

SECTION 11. It shall be unlaw-
ful for any person to violate the
provisions of the Planning Com-
mission as set forth in Sections
2 and 3 hereof.

SECTION 12. This Ordinance
shall remain in effect until
March 31, 1965, or until said
amendments shall be earlier dis-
posed of or enacted upon a
permanent basis, whereupon this
Ordinance shall lapse as though
never adopted.

SECTION 13. The City Council
declares this Ordinance to be an
emergency Ordinance, for the im-

Letters to the Editor

I may not believe in what the man says, but I will defend
to my death his right to say it.—(similar words of Voltaire)

Dear Editor:
The Council has already
taken preliminary action to-
ward protesting to the Board
of Supervisors and the Tax
Equalization Boards the un-
duly high and unfair in-
crease in assessed valuation
of Sierra Madre property.
The Foothill Areas Associa-
tion commends the Council
for this action, and urges —
in the interest of the citizens
of our community — the
most vigorous implementa-
tion of the policy adopted
at the last meeting. Not
only is the increase far too
high; in individual cases it
is unduly discriminatory.

We understand from press
reports that total assessed
valuation in this city has
been increased some four
million dollars — about 25
percent. According to the
Los Angeles Times for Sep-
tember 5, Glendale has DE-
CREASED BY \$286,020. This
is incredible.

We have compared 1963
and 1964 assessments on a
number of individual parcels
picked more or less at
random; and only four were
increased less than 100 per
cent. Of these, the lowest
was 30 per cent — which
was more than the average
for Sierra Madre. The other
three were up 69, 72 and 83
per cent. All three were in-
creased by amounts run-
ning from over 100 per cent
upwards to 254 per cent.
Certainly these are all out
of proportion to the average
25 per cent increase in Si-
erra Madre — and to the drop
in Glendale. (I have heard
of others running over 300
per cent increase).

We cannot conceive that
past assessments have for
many years been as wrong
as would be inferred by the
1964 changes. Even if some
adjustments were due —
and we certainly do not con-
cede anything of this mag-
nitude — they should have
been made gradually, over
a period of years. Without
doubt this doubling, trebl-
ing, and even quadrupling
of property taxes is hitting
the residences of people on
fixed incomes — elderly or
retired — and is nothing
short of confiscatory! And
others are profiting by what
is sized from them.

We urge the city officials
to leave no stone unturned
to rectify this injustice.

—T. R. STETSON,
President
Foothill Areas Ass'n

Dear Editor:
Lyndon Johnson does not
believe in the true prin-
ciples that these United
States were founded on. This
is exemplified by his hypo-
critical record and his many
Un-American, radical state-
ments. An example of his
"mainstream opinions" is
"We shall take from the
'Haves' and give to the
'Have Nots.'" Whether by
purpose or coincidence this
statement of Johnson's runs
in the same mainstream of

thinking with Karl Marx,
Joseph Stalin, and Nikita
Khrushchev.

Johnson's record in South-
east Asia is clearly that of
a pro-Communist, or a
Communist appeaser. Look
at what has happened to our
once-strong allies. Cam-
bodia is all but a Com-
munist colony; all but a
very small portion in south-
ern Laos is Communist con-
trolled; Viet Nam is rapidly
losing her battle for life
against the Sino-Russian
barbarians; Malasia is
being openly attacked by
Communist armies supplied
with American weapons;
Thailand, the last remain-
ing pro-Western country not
under direct attack by the
Communist vegetables is
finding itself in strong dis-
favor with Johnson.

How can any American
with any intelligence vote
for such a "man." —GDM

Editorially Speaking....

Why, Mr. Haley?

EDITOR'S NOTE: The following is the answer from J. Evetts Haley on the question of "Why the Book, 'A Texan Looks at Lyndon' was conceived and written?" His answer to the Sierra Madre News is as follows: Ladies and Gentlemen:

I have been asked to come to you to explain some of the background of the publication of my latest book, "A Texan Looks at Lyndon," which is a study in illegitimate power, and how it came to be written.

This book was conceived, researched, and published as a sound, historical study, not as a campaign document. No group, no organization, and no party has had anything whatever to do with its inception, financing, or circulation. I conceived it, I wrote it, I alone financed it from the very first and am still financing its publication.

Briefly, in this book, "A Texan Looks at Lyndon," I have:

1. Set forth the illegitimate pressure and power by which, in a Constitutional Republic Johnson was originally put into the U.S. Congress as a protégé of extreme Liberal forces of the original New Deal.

2. I have briefly set forth the fraudulent nature of his claim of a distinguished World War II record, and how he returned to his "plush-lined foxhole" in the House Congressional Building in Washington as a Lt. Commander.

3. I have told with irrefutable and unchallengeable proof how he, his political henchmen and their confederates stole a closely-contested U. S. Senatorial election in Texas in 1948; a story with all the tragic aftermath of continued fraud and reputed assassinations.

4. In this book, which is a study in illegitimate power, I have proven the false, the shallow and shoddy nature of the claim that the origin of the famous Johnson family's multi-million dollar fortune was founded on his wife's inheritance. It was, instead, laid on the acquisition for radio and television monopoly in Austin, through the illegitimate use of power to ruin the owner of the station, which fell as an over-ripe plum into Lady Bird's lap to put her husband and his family on their way to immense wealth.

5. I have detailed the methods, the men and the means by which Government contracts and political favors on one hand, and protection from tax problems and Federal harassment on the other, were used to enrich Johnson's big corporate backers in Texas, like Brown & Root of Houston, while on the other hand oppressing and even destroying those of humble origin and status who, with sufficient character and courage, have resisted his illegitimate power.

6. I have pointed out Johnson's intimate connections with such wheeler-dealers as Billie Sol Estes. One man after another with intimate knowledge of the fantastic fraud or close connections with the principals involved died sudden, mysterious, and violent deaths, while the profitable, tangible assets of the Estes empire were, without financial risk, handled virtually as a multi-million dollar gift to a friend and supporter of Johnson.

7. In this "Study in Illegitimate Power" I pointed out that a Pecos citizen, a locally prominent, successful doctor who discovered and exposed this gigantic fraud by printing the story in a Texas County newspaper, was ruined financially and professionally, while Billie Sol Estes, with more than \$18,000,000 in Federal tax judgments against him and two prison sentences for fraud imposed by Texas Courts, is still free, living in a plush \$50,000 home, driving a 1964 Cadillac and living "high off the hog" of political influence.

8. I have again brought attention—with added detail—to Johnson's close connection with Bobby Baker. In this connection, I have presented evidence of his undoubted ability, in Senator Fulbright's apt phrase — "to manage Congress"—to suppress any inquiry anywhere on Capitol Hill, from that of Billie Sol Estes to Bobby Baker.

9. I have factually detailed the ruthless, vindictive and dangerous nature of this power-mad man, elevated through malevolent Fate into the most powerful office in the world at the most critical period of America's history. All I have done is to bring my years of knowledge of the Texas scene and my ability as an academic investigator and historian to dig deep into the intimate and reliable forces of information. Having done this, I stand unafraid of what may follow, even the most ingenious and most effective technique that illegitimate power has historically invoked, because I believe in the sanctity of the printed word, well-knowing that when I commit the honest judgments of history to the printed page, they are for the author, whether fortunate or hapless, beyond recall.

The low-key campaign against Proposition 15 to ban Pay-TV in California — an issue which was expected to generate a heated battle — is accounted for by the fact that backers of the subscription system are confident that the measure will be overturned by the courts if it is approved by the voters, insiders report.

A Treasury Department ruling permitting payment to private firms for anti-trust damages as a deductible business expense is stirring up a major inside war in Democratic ranks, according to Washington sources.

CLANTON, ALA. NEWS: "The thing we most note (other than the obvious, we mean) about the topless bathing suits, over the world and the nation, is . . . each community handles the topless trend in its own way. The Federal Government could take a lesson here . . . It will doubtless be a shocking blow to the ego of those Washington ogles, that people can still make decisions for themselves; and that they don't always decide social matters or the solution to problems, in the same manner."

The American Friends Service Committee in co-operation with the Youth Work Committee of the Southern California Council of Churches recently sponsored an essay contest for young people entitled "The Case For Fair Housing." One of the prizes offered was a week-long Camp Sierra World Affairs Conference held June 27 to July 4.

Milton Mayer addressed these youthful conferees on the night of June 30. The Syracuse Post-Standard had this to say concerning the honored speaker: "Milton Mayer's brand of pacifism, as illustrated in a speech delivered in Syracuse, N.Y., in 1947, is beyond compare. In defending his proposal for world government, Mayer told his audience: 'We must haul down the American flag. And if I wanted to be vulgar and shocking, I would go even further and say haul it down, stomp on it and spit on it.'"

It has been reported that "this man was for two years the visiting professor at Comenius Theological Seminary in Prague. This is the Communist-sponsored and financed Protestant Seminary in Czechoslovakia that is developing a perverted basis for Communism."

Milton Mayer told this youthful group of assembled Americans at the Camp Sierra World Affairs Conference in California: "The real reason we Americans don't believe in capitalism as a theory of production and distribution is that we ourselves are all communists. Every one of us. All of us, because we are all members of families and every family is a communist society, based squarely on the communist doctrine of from each according to his ability, to each according to his needs."

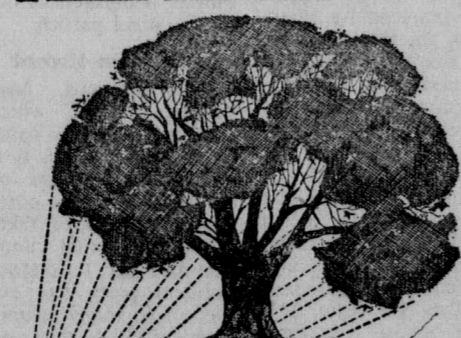

If Mr. Mayer's twisted reasoning is correct, then it is equally as reasonable to assume that a man is no longer a man; he is a bird — because he can fly! Mayer told the youngsters that "... no man can accept the Bible and not be a communist. And the atheists have had to descend upon us with fire and sword to remind us of the communism of Christ and the Hebrew prophets."

Here was a convincing speaker for the communist line pouring his venom into the young minds of his assembled audience with the blessings of the sponsoring groups — namely the American Friends Service Committee and the Youth Work Committee of the Southern California Council of Churches.

The Southern California Committee of Christian Laymen has this to say concerning the remarks of Milton Mayer: "There is nothing more blasphemous than this communist line comparing Jesus Christ with the atheist."

There has been much petty mischief. It is suspected that small boys are the culprits, and if this is the case, a public spanking is suggested as punishment. It has been reported that gilt initials were scratched from the side of an auto, and also the lights that were left burning on the cars parked on the street were extinguished. Someone thought that it would be fun to see them in court for leaving lamps unlighted.

The Sierra Madre News is entering its second week of the subscription contest. Among all the entrants, there was only one girl, who is working her hardest to win the Kodak camera. The other prize is a bicycle.

"The Magic Key," a play which was given at the City Park, was praised highly by all who attended. The players were children from the Sierra Madre Children's Guild, under the guidance of Mrs. Florence Eakman.

The membership of the local Chamber of Commerce is going up. Twenty-three new members joined at the last meeting. Also discussed that evening was the allotment of \$15 to the chess association, two resolutions were passed to inquire

about the possibilities for enlarging the Lamanda Park Junction Pacific Electric station for the convenience of local students, and it was suggested that the city purchase two parking lots across from the canyon pool.

The Civic Club arranged a party for the 200 members of Toy Loan. At the party on the scorching hot Friday afternoon, recognition was given to the 65 honored children who had taken good care of the toys they had borrowed and returned.

The Hastings Ranch, at Foothill and Michillinda Bvds., again was the subject of widely circulated rumors when it was reported that a sale had been made for residential subdivision. This piece of property, over 1,000 acres, is part of an estate administered by Comdr. Ernest Crawford May and is to be sold when the right price is offered. As yet, no such proposals have materialized.

Work on the debris basins at Auburn, Bailey and Carter Canyons was begun this week. A fast pace is necessary in constructing them, as the rainy season is beginning. They should be completed by Dec. 15, and

if necessary work will also continue on into the night in order to finish by that date.

On the political side: This month a picnic will be given by the 21st Congressional District for Rep. Edgar W. Hiestand. Richard Graves, the Democratic nominee for Governor, is going to speak in this district in October. Also, in October, Governor Goodwin Knight will visit Sierra Madre.

Meet Monrovia... by GWENN

It doesn't seem possible that summer is gone and school days are here again. Vacations are now pleasant memories and the busy fall schedules are under way. Many of the young people are off to college and our homes seem strangely quiet and uncluttered.

The James Murphys have two sons in college — John in his second year of a liberal arts course at Pasadena City College and Jimmy left two weeks ago for the University of San Francisco where he is taking a Political Science course. Jim and Kay have three high school students and four in grammar school. This is the first time in a great many years that Kay hasn't had a little one at home but with her many activities she won't have time to feel lonely.

Al and Agnes Ginther saw Cliff off to Arizona State College at Flagstaff where he plans to major in Business Administration and minor in Forestry. Ricky Reynolds left for the University of California at Riverside along with Marsha Pursell, Paula Keers and Debbie Yerman.

Joe Green, Delight Reynolds and Bob Oshima are at U.C. at Santa Barbara and David Wilbur at Harvey Mudd. Pete Goedeck is attending the University of South Dakota; David Morrison at the Military Institute in New Mexico and Leon Ewell at Brigham Young. The Pasadena City College campus will welcome Susan Phillips, and Verna Fulson, both talented artists along with Christy Wadhams, Karen Fuchs and Sandy Fry. Sandy is a Gold Seal graduate and received a four-year scholarship from

the American Medical Association. Cynthia Rucker, Ira Schoenwald, Mark Hoffman and Pam King are attending UCLA. There are so many we will try to include more at another time.

One of the most fascinating trips was taken by Mr. and Mrs. Jack Hinchman. They left last June to drive to the New York World's Fair and then traveled leisurely to Cape Hatteras; visited Arlington Cemetery then General MacArthur's grave at Norfolk and on to Palm Beach and Key West and from Miami they sailed to the Bahamas and spent four glorious days in Nassau. The itinerary called for a visit to Puerto Rico but the hurricane warning caused a change of plan and they hastened on their visit to the southern states. Kay's opinion of Florida is that it is hot, steamy and humid and much like a "giant sponge." They visited many places but some of the highlights were Mobile, Tallahassee, Biloxi and the famous Ringling Mansion in Sarasota, New Orleans was especially charming. Kay is fascinated with the old graveyards and enjoys visiting the ornate burial customs and the sometime sad, sometime humorous epitaphs found on the tombstones.

Another hobby is visiting the ante bellum mansions, especially the well-preserved homes around Natchez. They are carefully restored to their original conditions, except for the additions of modern plumbing and air conditioning! The Hinchmans stayed at the Stanton Mansion and were impressed with its elegance and beauty.

Motoring on they visited Dallas and the site of President Kennedy's assassination, then to Colorado Springs and Pike's Peak and to Durango to ride on the last remaining narrow gauge railroad. While there they dropped in to see the Joe Meyer family, formerly of Duarte, who operate the same "Honeyville" business. On to Salt Lake City with the thought of the long stretch home, when Jack announced his surprise — he had made arrangements to leave the car in San Francisco and fly to Hawaii to see son Charles, stationed there with the Marine Corps and help celebrate his birthday.

Kay was overwhelmed and delighted, naturally, so after two weeks in Hawaii the weary travelers flew to San Francisco and then drove home after two

Carolyn Sue Basden, Robert F. Easton
United In Marriage In IndianaMRS. ROBERT F. EASTON
... nee Carolyn Basden

In a lovely evening ceremony in the Assembly of God Church, Terre Haute, Ind., Carolyn Sue Basden became the bride of Robert F. Easton of 404 Maple Way, Pasadena on Saturday, Sept. 5, at 7 p.m. The Rev. William D. Saunders officiated at the impressive nuptials.

The bride is the daughter of Mr. and Mrs. Howard F. Basden of 1925 Garfield, Terre Haute, Ind. The bridegroom is the owner-manager of Bob Easton's TV Service at 4 W. Sierra Madre Blvd., Sierra Madre.

For her wedding the bride chose a full length satin gown with a round neckline and long tapered sleeves. The gown was appliqued down the front with Chantilly lace and pearls. The bride's veil fell from a crown of lace and pearls and the bridal bouquet was a cascade of white roses and stephanotis.

Serving the bride as bridesmaids were Miss Bonnie Basden, sister of the bride; Miss Susan Easton, daughter of the bridegroom and Loretta Throckmaston

and Nonnie Vaughn, who served as maid of honor. These attendants complemented the bride in beautiful emerald green and blue brocade dresses with bell-shaped skirts. Their circle veils were held by green bows, and they wore white heels. The bridesmaids' bouquets were white carnations and nosegays.

Jack Basden served as best man and the ushers were Frank Hoole, Verner Easton, Wayne Stout, Frank Hamblen, Art Tomlinson and Miley Adkins.

Following the wedding a reception was held for 200 guests in the church annex, and the next day, Sunday, the bride and bridegroom left for California, where they are making their home.

LBJ's boasts that the Federal Government is economizing under his Administration are being given close scrutiny by Republicans. Secretary of the Treasury C. Douglas Dillon recently asserted that a budget-lightening program at the Defense Department had saved \$2.5 billion Federal funds. But the Government Accounting Office, official government auditor, has released results of a study showing that the Department's bureaucrats actually wasted nearly half a billion dollars in taxpayers' money last year.

Comptroller General Joseph Campbell said that general inefficiency and errors in ordering supplies caused a loss to the government of \$486,928,073—more than the total annual budget for the State Department.

Typical of the kind of waste the GAO found was an instance in which the Army paid a Miami firm \$321,854, for the very same spare parts that the firm had earlier purchased from an Army surplus outfit for \$71,959. Cost to the taxpayers: \$249,895.

Debt Limit Up Again

As a reminder to voters that government spending continues to go up—not down, Congress has again raised the public debt limit. LBJ's domestic spending programs necessitated the rise from \$315 billion to \$324 billion. Rep. Frances P. Taylor (R-Ohio) comments that taxpayers should realize that approximately \$1 out of every \$10 paid in Federal taxes is spent merely on the interest on the present national debt.

"This is a continuing load that will get worse unless Americans demand that the Federal budget be balanced," Mrs. Bolton said.

"Despite the economy propaganda," Mrs. Bolton observed, "the present Administration is spending Federal funds faster by \$2 million a day than President Kennedy, faster by \$50 million a day than President Eisenhower!"

The LBJ deficit for fiscal 1964 is greater than in any one of the three previous years under President Kennedy. The last time the Federal budget had surplus was in 1960, the last year of the Eisenhower Administration.

Stands of GOP Nominee

Where I Stand
by Sen. Barry Goldwater
McGraw-Hill Book Co., 75c

"This will not be an engagement of personalities. It will be an engagement of principles."—Sen. Barry Goldwater, Phoenix, Ariz. Jan. 3, 1964.

When Barry Goldwater announced his intention to seek the Republican presidential nomination early this year, he pledged to campaign on the issues, for he said the response of millions of Americans to his political stands had convinced him that this was the year for those beliefs to have their hearing.

"A choice, not an echo," was the theme of his pre-convention campaign, and now his campaign against Lyndon Johnson is earmarked to provide that choice. It promises to bring to the attention of the American people, as perhaps never before, the deep philosophical differences between the two political parties.

On Record

The obvious function of "Where I Stand," which goes on sale Sept. 8 in both paperback and hardcover editions, is to provide each voter with the opportunity to study the hard-core positions which have been taken by the GOP presidential candidate. No nominee for President of either political party has ever spoken out on so many issues, or taken such definitive stands on the most controversial issues of his day, as Sen. Barry Goldwater. This determination to etch out his position is a sharp deviation from the ordinary candidate — who often attempts to straddle issues, or at least avoid taking positions in an effort to avoid offending any voting blocs. Sen. Goldwater has always taken positions based on his lifelong principles, regardless of the possible political consequences.

Through more than 800 syndicated newspaper columns, in two previous books, and in innumerable speeches, television appearances, and public statements, Sen. Goldwater has reached millions of Americans with his message of individual liberty and victory over communism. Now that he is the presidential nominee of the Republican Party, every voter can and should, through reading

VICTORY SMILES light up the faces of Republican presidential and vice presidential candidates, Sen. Barry Goldwater and Rep. William Miller, at the climax of the GOP national convention in San Francisco. Sen. Goldwater's newest book, "Where I Stand," goes on sale next week.

"Where I Stand," learn what kind of leadership he offers the United States. Besides its availability on the news stands, "Where I Stand" will be serialized by more than 25 metropolitan daily newspapers.

The Whole Story

The book offers no "glamour treatment." It marks a shift from the usual method of building up the candidate's "image" in an election-year biography. Despite the obvious public relations advantages to be gained with a presidential candidate who is not only a Senator, a businessman, an author, but also a jet pilot, an athlete, a photographer, a "ham" radio operator, an explorer, and a linguist, Barry Goldwater and his campaign managers have determined to stick to his early pledge to campaign "on the issues."

To those who have followed Sen. Goldwater's progress through his early days in the fight for the nomination, and read his campaign speeches, the book will offer nothing startling. It is essentially a compilation of all that he has said on every important issue, including a 28-page section devoted to every issue from Southeast Asia to Foreign Aid, and from civil rights to TVA. Included are the Senator's much-publicized acceptance speech given in San Francisco, and his remarks before the GOP platform committee.

The Economy

Chapter Five covers the subject closest to every voter—the economy. Entitled "Economics of Freedom," it attacks the Johnson Administration on a broad range of fiscal issues, and discusses the dangers of our ever-growing national debt. Goldwater decries the folly of trying to buy Federal solutions to every social problem, and the consequences of a continuation of "planned deficits" combined with Federal suffocation of free enterprise.

In Sen. Goldwater's own words, "I would seek a greater role for the Federal government in removing restrictions rather than imposing new ones—at every level of the economy. I stand on the side of individual responsibility and individual choice and creativity. I stand against the gray sameness of growing government, against the conformity of collectivism—regardless of excuses."

For the American voter who is interested in the true story of where Sen. Goldwater stands, "Where I Stand" is the answer.

Cookout Party Saturday Evening

Las Jardineras plan a "Cookout, Anybody?" party for Saturday evening, Sept. 19, at the home of the Stanley Mikulka, 3670 Shadow Grove, Pasadena, to begin their fall season.

Committee members include Mmes. Stanley Mikulka, Doris Krause, Jack Washburn, John Veale and Robert Talmo.

Guest list includes Mr. and Mrs. John Atkinson, Mr. and Mrs. Wayne Brannon, Mr. and Mrs. Joseph Cummins, Mr. and Mrs. Charles Coates, Mr. and Mrs. Charles Edwards, Mr. and Mrs. Lawrence Elfelt, Dr. and Mrs. Shirl Evans, Mr. and Mrs. Robert Gobrecht, Mr. and Mrs. Charles Haver, Mr. and Mrs. Richard Hubbell, Mr. and Mrs. Charles Hurter, Mr. and Mrs. Robert Keil-

holtz, Mr. and Mrs. Peter Lowery, Mr. and Mrs. Stanley Mikulka, Mr. and Mrs. Peter Hurtig, Mr. and Mrs. Ray Lindman.

Also Mr. and Mrs. C. R. Miller, Mr. and Mrs. Robert Natzel, Mr. and Mrs. John Morris, Mr. and Mrs. Paul Kurches, Mr. and Mrs. Eric Perry, Mr. and Mrs. Russell Pooler, Mr. and Mrs. Horace Ray, Mr. and Mrs. George Starrett, Mr. and Mrs. Martin Steed, Mr. and Mrs. Jack Steffens, Mr. and Mrs. James Stivers, Mr. and Mrs. Robert Talmo, Mr. and Mrs. John Veale, Mr. and Mrs. Jack Washburn, Mr. and Mrs. Larry Westcott and Doris Krause.

Instruction For Mothers To Be Starts Sept. 21

A class for expectant mothers will be conducted for San Gabriel Valley residents beginning September 21. The ten-lesson course will be held on Monday from 9:15 a.m. to 11:15 a.m., at 2495 E. Mountain St., Pasadena. Any expectant mother with her physician's approval may register by calling the extension training center; 355-7661. Enrollment is limited.

Instruction for child-bearing involves intellectual, emotional, and physical preparation. The woman accepting the responsibility of self-control, study, and exercise in order to be equipped for her labor and delivery is more apt to be poised and confident. As a result she may have a shorter labor and make a more rapid and complete recovery.

The morning sessions include discussions covering pertinent topics for the mother-to-be plus individual instruction in exercises promoting comfort and fitness during pregnancy, special relaxation and breathing techniques for labor and delivery, and postnatal exercises which aid in the rapid return to the normal non-pregnant state.

The Childbirth Education Program is under the American Institute of Family Relations and includes four evening lectures given by a physician especially designed for the expectant mother and her husband.

New Arrivals in the Sierra Madre Area

Mr. and Mrs. Wayne Vermillion joyously received their second daughter on September 4 at the Methodist Hospital. Upon arrival Amy Elizabeth weighed 7 pounds, 5 ounces. She is now at home, 3051 Ninth Ave., Arcadia, with her sister Kimberly Ann who celebrated her second birthday on September 15.

The happy grandparents are Mr. and Mrs. James Distelrath of Covina, and the paternal grandmother is Mrs. Ruth C. Vermillion of Arcadia.

There is another Stuart in the family. The new baby born to Mr. and Mrs. Paul Bode Jr., was named after his maternal grandfather, Mr. Stuart Fisher of Monrovia. Craig Stuart Bode arrived at the Methodist Hospital on September 3, and weighed 7 pounds, 9 ounces. Waiting at home for him was his sister Lisa Carol, 4 years old.

To see Craig, came Mr. and Mrs. Stuart Fisher, and Mrs. Hugh James of South Pasadena, his grandparents.

Happy congratulations came from Mr. and Mrs. A. C. Tolon of Arcadia, and Mr. and Mrs. H. W. Wilson of Vista, as Susan Michelle added a new cheeriness to the boy-dominated household of the Tolons. They are the grandparents of Susan, who was born on Thursday, September 3, at the Methodist Hospital, and weighed 6 pounds, 10 ounces.

Waiting at home for her were Bill, 5, and Jeff, 3. The parents are Mr. and Mrs. Gerry Tolon of 2662 Doolittle Ave., in Arcadia.

Mr. and Mrs. James L. McCoy proudly announce the birth of their new son, Little Mathew Stoner is now at home, 232 Ramona Avenue, in Sierra Madre with his brother, Craig, 15, and his two sisters, Lisa and Jamie, 12 and 10. When he arrived at the Huntington Hospital on August 31, he weighed 7 pounds, 7½ ounces.

Mr. and Mrs. James R. McCoy are the happy grandparents. They live in Indianapolis, Indiana.

Leland Jeffrey arrived at the Huntington Hospital on August 29 weighing 5 pounds, 9 ounces. He has one brother, Paul, 15 months, who was overjoyed at the prospect of having a brother of his own. The parents are Mr. and Mrs. Leland H. Peters who live at 149 W. Montecito in Sierra Madre.

The grandparents are Mr. and Mrs. Paul Kaponya of Sierra Madre Villa in Pasadena, and Mr. and Mrs. William Howard Peters of Glendale. Both are very pleased to have another grandson.

Michael Eugene joined his sister Teresa, 9, and his brother Jim, 10, at home after arriving at the Huntington Hospital on August 29. He weighed 7 pounds, 4½ ounces at birth. Mr. and Mrs. Thomas E. Dancy are

the happy parents who live at 235 S. Baldwin in Sierra Madre.

From North Carolina, Mr. and Mrs. J. E. Dancy send their congratulations. The maternal grandparents are Mr. and Mrs. Paul A. Anderson of Rosemead, Calif.

Mr. and Mrs. Robert Anderson of 445 Canon Drive, Sierra Madre, are very elated over the birth of their first child, a son, born Wednesday, Aug. 26, at Huntington Memorial Hospital.

Brett Regan is the name that was chosen for this 7-pound boy, and the equally elated grandparents are Mr. and Mrs. Stanley Anderson of Pasadena, and Mr. and Mrs. Melvin Ward of San Diego.

It was a girl for Mr. and Mrs. Robert J. Dumas of 1210 Rexford Road, Hastings Area, Pasadena, born Sunday, Aug. 30.

The new daughter, born at St. Luke Hospital, weighed in at 7 pounds, 4 ounces and has been named Judy Jean, and a grand reception awaited little Judy. She has three sisters and three brothers who awaited her arrival with anticipation. They are Debbie, 12; Kandy, 10; Don, 9; Dori, 7; Lori, 6, and Dave, 2½.

Mr. and Mrs. David Leamon welcomed a new baby girl into their home at 60 E. Laurel Ave., Sierra Madre, Saturday, Aug. 29.

Born at St. Luke Hospital, weighing 7 pounds, 8 ounces, the new arrival has been named Barbara Josephine Antonia. Little Barbara has two brothers, Mike, 4½, and Todd, 16 months.

Maternal grandparents are Mr. and Mrs. Harry Moore of Sierra Madre, and the paternal grandmother is Mrs. Katherine Leamon of Los Angeles.

Mr. and Mrs. Thomas Jensen, 2048 Starhaven Ave., Duarte, are rejoicing over the arrival of Suzanne June, their daughter, who was born Friday, Aug. 28, at Sierra Madre Community Hospital. The Jensons also have a 15-month-old son, Derek Bret.

Mr. and Mrs. Timothy Bascom, who have twins, Timothy and Rebecca, born at Sierra Madre Community Hospital last year, made a return visit to the hospital last week to become the parents of a son, Fred Eugene, on Saturday, Aug. 29. He weighed 8 pounds, 5½ ounces at birth.

Mr. and Mrs. Benjamin Zubiate of 246 Craig St., Pasadena, have named their first child Timothy Alan. He was born Friday, Sept. 4, at Sierra Madre Community Hospital, weighing 8 pounds, 3 ounces.

It's four daughters in a row for Mr. and Mrs. Rolf Schuhr of 1112 E. Jadburch St., Glendora, now that they have welcomed Julie Ann into their home. She was born Thursday, Sept. 10, at Sierra Madre Community Hospital. Her sisters are Toni Kay, Wendy Sue and Amy Louise.

There are some people in this world who gather clutter about them wherever they dwell. I happen to be the "some" people I am talking about and it seems to be a malady for which there is no known cure. I can get the house all cleaned and tidy and then I end up with an assortment of screws, washers, stems off of watches and various and sundry sequins and rhinestones. Most people would just pitch them into the trash with a shrug. NOT ME, no siree, I just happen to recognize the source of the items, so I put them into a convenient ash tray or glass till I can get at the repair job. Now, you realize, I may never get around to the repair, but at least if I do, I know just where the missing part is. I really have an uncanny knack of recognizing disassociated parts. I am here to tell you that I probably have one of the finest collections' right now you'd ever want to see, and the collection is growing rapidly. I have just decided that this is the week I am going to neaten up the pad and get rid of the junk so I can start from scratch again. At least, I think I am. Ooops, what's that NUT doing there on the floor?

David Jensen, son of Mr. and Mrs. Frank Jensen of Sierra Madre Villa, had a party last week for some of his friends who are about to matriculate in various and sundry colleges. They had an evening around their gaily lighted pool with dancing, swimming and lots of snacks to keep up their energy.

His guests were Cheryl Tomkins, Shelly Clauson, Marcy May, Gail Tampico, Susan Warnick, Sarah Stohl, Sue Shillander, Joyce Thatcher, Mike Palmer, Jerry Ashton, John Clarke, David Kratzer, Steven Berry, Steve Smith, John Valentine, John Perkins, Robert Nielsen, Paul Anderson, Tom Taylor and Paul Duncombe.

Before I go on to other news, I want to thank all of the local residents who contributed so generously to our teenagers and in turn helped make their carnival such a success. Those who went realized the effort that those kids put in and with the cooperation of all they were able to make a little money for the Robin Hardison Memorial Fund. Thanks again!

And as we speak of successful ventures, it would be a mistake to overlook the recent Las Companeras Las Vegas party that was held in the house and grounds of Mr. and Mrs. Dom Giangregorio on Sierra Madre Villa. Mrs. Warren Newton was in charge of all the arrangements and I understand she and her committee really outdid themselves to make it a "bang-up" affair.

Those who attended were Messrs. and Mmes. Forrest Paxson, Henry Asher, Edward McKelvey, Donald Clark, Warren Newton, James Fay, Guy Knudsen, Keith Stiles, Dean Snyder, Don Monroe, James Wentz (Mrs. Wentz is president of the group), David Roos, William Morzov, Alpheus Pruitt, Warren Clement, Mrs. James Gittenger, the Victor Caffees, the Gordon Wrights, the Malcom Murisons and Mr. Ron Toms.

This last week was a week of farewells for our neighborhood as some of our beloved neighbors move away. For instance, 17 of the teen-

agers surprised Kit Armstrong with a farewell party that started with a trip to see "Mad Mad World" and ended at one of the girls' houses for a spaghetti dinner and a jam session. Kit left last Monday for Bethesda, Md., where she stayed with friends until her father arrived by car. Schools start earlier in the East. Mrs. Armstrong and Hank will be going back as soon as their home is sold.

The Armstrongs, Sallie and Alkman, also were feted by some of their close friends with a cocktail party at the Jim Smiths followed by dinner and dancing at the Huntington-Sheraton Hotel Terrace Room.

Last Saturday the John Chapmans came back for their farewell party given in their honor by Dr. and Mrs. Robert Mueller and Dr. and Mrs. Lincoln Wilson, in the Muellers' lanai and patio. Although the Chapmans vacated their home here by September 1, they had a delay before moving into their new home.

The guests invited to the party were Mr. and Mrs. John Fincke, Mrs. Alkman Armstrong, Dr. and Mrs. Clete Dorsey, Mr. and Mrs. James Smith, Mr. and Mrs. Sam Matloff, and ourselves.

Treasurer Appointed For 'Yes On 14'

Harold L. Angle, pioneer Glendale banker and civic leader, today was named state treasurer of the Committee for Yes on Proposition 14, the proposed amendment to abolish the Rumford Forced Housing Act and restore the constitutional right of residential property owners to sell or rent to anyone they choose.

His appointment was announced by Howard L. Byram, chairman of the statewide committee.

"I am more than pleased to join the forces of this committee which seeks to protect our State Constitution, and halt further encroachment of constitutional rights by abolishing the Rumford Act," said Mr. Angle.

"I feel it is my duty as a citizen to help defeat the Rumford Act because it is a bad law that invades the rights of residential property owners."

"Passage of Proposition 14 will restore the inalienable right of these property owners to sell or rent to anyone they choose. Its passage also will make sure that it will be impossible for any future legislature to pass a similar forced housing act without a direct vote of the people."

Until retirement last December, Mr. Angle was assistant vice president and manager of the Wilson and Glendale Branch of Security First National Bank. He has been active in more than 20 Glendale civic organizations during his 40 years of residence in Glendale.

Multiply Assessment by Four**Property Now Updated Market Value Is Tax Basis;**

Representatives of the Los Angeles County Assessor's office, appearing before the City Council Tuesday night, September 8, told property owners in Sierra Madre that the new assessments on their property reflected the widescale increases in the market value of their property since the last time assessments had been updated in the community.

James R. Vine, Chief Deputy Assessor and a resident of Sierra Madre, told the group: "We want everyone to multiply his assessment by four to arrive at our opinion of the market value of the property. Then, if you honestly feel we have over-assessed the value, we want to hear from you."

Vine, who is building a new house in Sierra Madre, admitted he had done a "double-take" when he learned what his new assessment was going to be. "But I have to be honest," he said, "I wouldn't sell it for four times what it's assessed."

The test of the fairness of the assessment, Vine said, is not how much it was increased, but whether the present assessment is at 25 per cent of market value.

Vine pointed out that one of the principal reasons for the number of large assessment increases was that property in Sierra Madre had not been updated for a number of years. The lag, combined with the spurt in property values in the last several years, resulted in many assessments being far out of line with current values.

The Chief Deputy Assessor also stressed that County Assessor Phil Watson does not set tax rates or the amount of taxes one pays. "Mr. Watson's only responsibility is to see that the assessed value is at 25 per cent of market value," Vine said. "The taxing agencies — the County Supervisors, the City Councils, School Boards and special districts — are the people responsible for setting the tax rates which determine the size of your tax bills."

Fred Dougherty, principal appraiser in charge of Assessor's Region 5, which handled the Sierra Madre reappraisals, described how the updating program operates.

Dougherty said updating is assigned, on a priority basis, to those properties farthest away from the announced 25 per cent ratio of assessed value to market value. Such properties are pinpointed by continuing sales-ratio studies conducted by the department to chart market trends as disclosed by the relationship of present assessments to current selling prices.

Prior to updating, Dougherty said, assessments in Sierra Madre were generally at less than 15 per cent of current selling prices.

Dougherty explained that the Assessor's office does not consider sales prices necessarily to be identical with market value. Selling prices, however, do indicate

There were no uniform percentage increases in assessments, Dougherty said. All properties received individual total property appraisals, taking into consideration all elements of value such as location, present use, zoning, accessibility, etc.

If a property owner has any questions about his assessment, Dougherty said, he should contact the regional office at 325 E. Ramona St., Pasadena, where appraisers are on hand to discuss the property.

Other representatives of Watson's office at the meeting included John Morrissey, Chief of the Residential Real Estate Division, Dean Thatcher, co-ordinator, Real Estate Division, and Margaret Coffey, Field Deputy.

Richard Daniels Completes His Solo Flight

Navy Lieutenant junior grade Richard F. Daniels, son of Mr. and Mrs. Daniel H. Daniels of 380 W. Carter Ave., Sierra Madre, recently completed his first solo flight in a military helicopter while undergoing training with Helicopter Training Squadron Eight at the Naval Air Station, Pensacola, Fla.

The squadron trains helicopter pilots for the Navy, Marine Corps and Coast Guard.

Vickie Dunnagan is another PHS graduate. She lives in Sierra Madre at 526 W. Highland. On September 14 she will begin her courses leading to a degree in elementary education. After she has finished her first two years at Pasadena City College, she would like to transfer to USC or a state college. Vickie is the daughter of Mr. and Mrs. J. A. Dunnagan.

We're Off To College

by Susan

From PCC to SC is what David Loftus has planned too. He graduated from Pasadena High School in June and will probably attend PCC for two years. Architecture is his major, and will keep his schedule full for the next five years. David resides in Pasadena at 1480 Riviera.

Peter Joyce of 1200 Riviera Road in Pasadena graduated from Pasadena High School this spring. With a strong interest in the math and science field, he is yet undecided as to which he

should choose for a future goal — education wise. For the first two years he plans on attending PCC.

Terry Rostker is really going away to college. He is all packed and ready to start for New York. There, he will attend Rensselaer Polytechnic Institute. With an engineering major his next four years of education should be kept quite busy. He graduated from Pasadena High School in June. Terry lives at 3426 Barhite in Pasadena.

The Catholic Nurses Club to Resume Meetings

The Pasadena-San Gabriel Valley Council of Catholic Nurses begin their club year when they gather at St. Felicitas and Perpetua Church in San Marino to attend the 9 a.m. Mass on Sept. 20.

Breakfast will follow at Woody and Eddy's restaurant. Guest speaker will be Rt. Rev. John V. Sheridan, pastor of Our Lady's Chapel in Los Angeles and director of the Catholic information center. All nurses and their friends are invited.

There isn't much music coming out of that horn. But one thing's certain; this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the Church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

County Tax Problem Aired

Bonelli Seeks Reduction By Other Revenue Source

Supervisor Frank G. Bonelli today re-emphasized the need for other sources of County revenues to wipe out the startling 18½ cent County tax increase resulting in a County tax rate of \$2.39 per \$100 of assessed valuation for the fiscal year of 1964-65.

"Now is not too early to start generating support for the added sources of county revenues," Bonelli pointed out. The proposed additional ½ cent Countywide sales tax and increased county license fee structure, capable of producing some \$70 million in added new county revenues, would result in the equivalent of a 59-cent reduction, all of which would be pledged to reduce the present \$2.39 county tax rate for 1964-65 to \$1.80 for the fiscal year of 1965-66, Bonelli stressed.

"State legislative support at the January session of the county's proposed new revenue sources and coupled with school tax relief via restoration of the historic formula of school tax support, namely 50 per cent of cost borne by the school districts and 50 per cent borne

by the state, will prove a Godsend to the overburdened county taxpayer and stop the annual tax agony from getting worse.

"If it is properly understood that every new cent of revenue produced from favorable legislative action shall correspondingly reduce the county tax rate, it will uniformly garner statewide support of cities, counties and, more importantly, the general public."

The restoration of normal assessment roll increase, attributable entirely to new county construction being added to the roll for 1965-66, should provide the emergency cushion that may be needed to meet added county population mandatory demands, Bonelli said.

Accordingly, the general tax relief program if successful should prove a stimulant to the business climate economy, so closely tied to the county's property tax base, and a blessing to the overburdened home owner alike.

SM Tennis Club Has Thrilling Tournament

A thrilling three-set match between the teams of Victor-Hobbs and Rillorta-Goodwin climaxed the Sept. 6th tournament of the Sierra Madre Tennis Club at the Memorial Park. The match and tournament were finally won by the team of Victor and Hobbs by the score of 6-3, 2-6 and 6-1 after 20 players had participated in the elimination matches. Attractive winner trophies were presented to Victor and Hobbs, with runner-up trophies to Rillorta and Goodwin, by Edward Voorhees.

Several of the younger players, who were playing in their first City Tournament, gave a good account of themselves, and it is hoped they will be even better represented in the next tournament which will be probably early in December.

Membership in the club for the 1964-65 season may be applied for by calling Marcus Woodward, treasurer, 99 E. Suffolk Ave., Sierra Madre (355-1296).

Orchid Hobbyists Plan October Annual Banquet

The San Gabriel Valley Orchid Hobbyists will hold their regular meeting Thursday, September 17, at 8 p.m. at the Los Angeles State and County Arboretum, 301 N. Baldwin Ave., Arcadia.

Mr. Alvin Embree will talk on Hiltonias at 7 p.m. for the culture class. The regular meeting will begin at 8 p.m. and Mr. J. Howard Carrington of Los Angeles, will show slides and narrate on awarded plants of 1963.

The October meeting will be our banquet meeting to be held in Burbank.

Carl Hansen Ford

Presents the 1965 Ford Division Models . . .

Improved performance with increased fuel economy for gas savings up to 15 per cent have been achieved in the fastidiously restyled Ford Falcon for 1965. More powerful engines — including a redesigned 200-cubic-inch Six with seven main bearings for added smoothness — combine with three-speed Cruise-O-Matic or three-speed manual transmissions for the economy and performance improvement. New interiors and new instrument panel ornamentation; new low-profile tires; improved steering responsiveness; alternators and automatic chokes on all engines; and larger fuel tanks are other 1965 Falcon features.

The 13 new Falcon models including the Falcon Futura 2-door Hardtop (above), will be introduced in Carl Hansen's showroom on Friday, September 25.

A third Mustang model — the "2+2" fastback — joins hardtop and convertible Mustangs announced as the first of its 1965 cars by Ford Division last April. The new Mustang provides seating for four. Fold-down rear seats permit added luggage — including skis and other lengthy equipment — to be carried inside the car with driver and passenger. Functional air louvers styled into the rear roof quarter-panels provide an efficient, flow-through ventilation system for window-up driving free from wind noises and drafts in nearly all kinds of weather. Continued as standard equipment on all Mustangs are such sports and luxury features as bucket seats, molded nylon carpeting, floor mounted shift for both manual and automatic transmissions, all-vinyl interior, padded instrument panel, and full wheel covers.

The new Mustang "2+2" joins the 1965 Mustang hardtop and convertible models in Carl Hansen's showroom Friday, September 25.

A new look of size and motion is combined in the 1965 Fairlane, restyled from bumper to bumper for the first time since its introduction three years ago. Although new styling makes the middleweight Fairlane look bigger, it remains about the size of the 1956 Ford on the outside and the 1959 Ford on the inside. Improved ride and economy; new low-profile tires for greater directional stability, better traction and longer life; significantly improved interior quietness; alternators and automatic chokes standard on all engines; and a complete line of options including low-cost air conditioning are features of all 1965 Fairlans including the Fairlane Sports Coupe (above).

Eight Fairlane models — hardtops, station wagons and sedans — will be introduced in Carl Hansen's showroom Friday, September 25.

Entering its second decade, the 1965 Thunderbird continues its styling and engineering leadership with such advanced features as front wheel disc brakes standard equipment on all models. Other 1965 Thunderbird standard equipment owe benefit features include distinctive sequential turn signals which create a light pattern in the turning direction, reversible keys which may be inserted into ignition and trunk locks either side up, keyless door locking, and a dome light on convertible models. New or revised options include an AM/FM radio on which all five push buttons may be used for AM or FM operation, an electric antenna, power vent windows, a vacuum deck lid release, and a limited slip differential.

The three 1965 Thunderbird models — landau, convertible, and hardtop (above) — will debut in Carl Hansen's showroom Friday, September 25.

The 1965 Ford is the most-changed in the 15-year history of Ford Division. The traditional, round Ford taillight is replaced by a modernistic hexagonal shape in keeping with the crisp, elegant look of the new Ford. Luxury styling is combined with a luxury car ride described as so smooth and so quiet the heater and air conditioner fans had to be moved into the engine compartment because their low-toned whirr was distracting. A luxurious new Ford Galaxie 500 LTD series (above) features an interior of quality and style previously obtainable only in higher-priced cars. Five separate roof lines are offered with interior and exterior trim features to give greater distinctiveness to each of the 17 models than ever before.

The complete line of 1965 Fords — two- and four-door hardtops, sedans, convertibles and station wagons — will be introduced in Carl Hansen's showroom on Friday, September 25.
